## **PRESS RELEASE**

### **Gulf Coast Amateur Radio Clubs Celebrate World Amateur Radio Day with a GRANDSLAM!**

**Numerous Gulf Coast Amateur Radio Clubs from Alabama and Mississippi gathered at the MGM Baseball Park in Biloxi, MS, to Celebrate World Amateur Radio Day in style with a Baseball game between the Mississippi Shuckers and Pensacola Wahoos. The event, sponsored by the Jackson County Amateur Radio Association and the Deep South Amateur Radio Club was the first gathering of all MS/AL Gulf Coast Clubs and included participants from JCARA, DSARC, MARC, Magnolia DX, MCARA, Great Southern DX, GCARC, GCARC, GCARES, MCARES, as well as Representatives from the National Association for Amateur Radio, ARRL. The event solidifies the cooperation between Clubs who practice and plan to assist their respective communities during disasters that impair traditional terrestrial communications. Amateur Radio Operators or Ham Radio as it is often called, provides a unique service to assist local disasters.**
